## CADUCEUS USA • EXAMS • TELEMED

### Caduceus TeleMed Visit Type Statement of Work:

All calls are answered by Caduceus Providers, trained in Occupational Medicine and available 24/7, 365 days a year.

**First Report of Injury (FROI) & State Workers Compensation Forms** are completed and delivered after each visit.

#### **Injury – MD Triage \$95**

Evaluation of injury to determine what if any treatment or additional care is required.

#### **Injury – First Aid \$175**

Single visit including evaluation, diagnosis and treatment consistent with First Aid Care.

#### **Injury – Office Visits \$225**      *\*Subscription plan option*

Any initial visit that would require care beyond First Aid. Office visits include evaluation, diagnosis, treatment plan, and management of care throughout the course of the injury. These visits may require referrals for additional care (such as PT, Diagnostics or Specialist care). Additionally, any subsequent follow up visits related to this injury would also be billed as an office visit.

A call may be initiated as any visit type by the injured worker, supervisor, or nurse triage partner. Caduceus will code and bill based on services rendered.

\*To inquire about the subscription plan, please contact Caduceus.
